Welcome to your dashboard tallasite!

You can manage your individual artist profile, organization or business profile, post and edit events, bookmark your favorite listings, and more. To return to your dashboard at any time, click "My Account" in the upper right corner.

If this is your first time submitting an event, you will need to create an organization or business profile, or if you are an artist, you will need to create an artist profile. You can do all of that using the links in the tool bar above.

Please be sure to read the [Submission Guidelines](#) in each section first. Happy sharing!

- If you are an arts or cultural organization, then you should select "Organization" from the left navigation to add your profile to the Organization Venue Directory. **PLEASE NOTE:** If your organization already exists on the site, please email the site administrator mentioned on the Login page so we can associate your new user account to the existing org profile. Multiple users may be associated with an organization.
- If you are an individual artist (visual, performing, literary, film, etc.), you should select "Artist" from the left navigation to add your profile to the Artist Directory. **PLEASE NOTE:** This module may not be available on your site.
- If you also manage a venue where events take place, then you can also select "Venue" from the left navigation to add that profile to the Venue Directory.

Submitting Your Profile Form

Organization – The Organization Profile form allows you to post your org description, address, contact info, web, blog, and social media links, plus tag your organization type.

Venue – The Venue Profile form allows you to post your venue description, address, contact info, parking, public hours, admission, web, blog, and social media links, accessibility, plus tag your venue type.

Artist – The Artist Profile form allows you to post your bio, web, blog, and social media links, plus tag your artistic discipline, style and mediums.

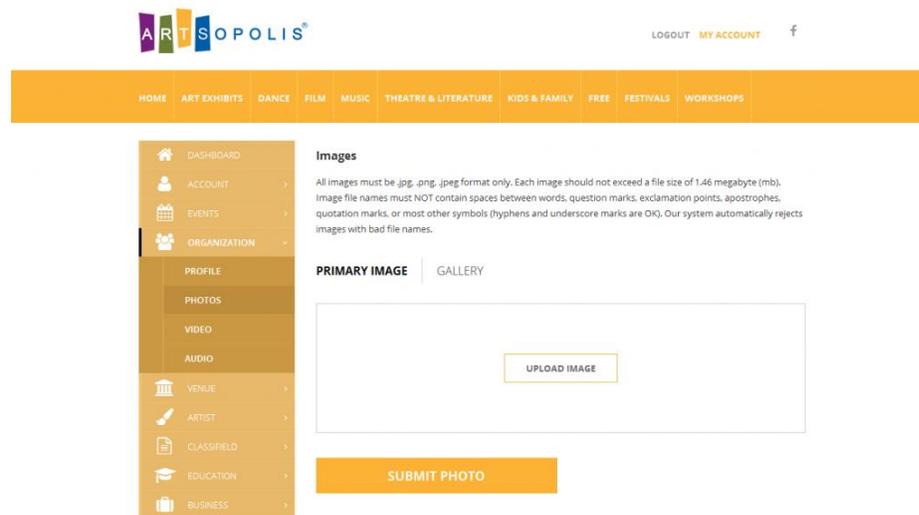

Once you have completed and saved your profile form it will then be submitted to our administrative panel for review and approval. Once your profile has been approved by the site's content management team it will show up to the public in the appropriate directory and search result pages. You can come back at any time to add/edit/remove information from your profile form by logging in and re-saving your changes.

Posting Events

You can post an unlimited number of events to your account. Event postings should include at least one photo or graphic. You can also include additional gallery images and videos (YouTube or Vimeo). As with other listings, your submitted events will be reviewed. Once approved, they will be added to our website for public viewing.

The screenshot shows the Artsopolis website interface. At the top, there is a navigation bar with the Artsopolis logo on the left and 'LOGOUT MY ACCOUNT' and a Facebook icon on the right. Below the navigation bar is a horizontal menu with categories: HOME, ART EXHIBITS, DANCE, FILM, MUSIC, THEATRE & LITERATURE, KIDS & FAMILY, FREE, FESTIVALS, and WORKSHOPS. The main content area is divided into a left sidebar and a right main panel. The sidebar contains a list of menu items: DASHBOARD, ACCOUNT, EVENTS, IMPORT, ORGANIZATION, VENUE, ARTIST, CLASSIFIED, EDUCATION, and BUSINESS. The main panel is titled 'Events' and contains the following elements: a heading 'Events', a prompt 'Please select one of the following options:', a 'SUBMIT A NEW EVENT' button with a clipboard icon, an 'or' separator, a dropdown menu for 'Current/Upcoming Event' with a calendar icon, 'EDIT EVENT' and 'COPY EVENT' buttons, another 'or' separator, a dropdown menu for 'Past Events' with a calendar icon, and a 'COPY EVENT' button.

During the event submission process, you can select the presenting organization and venue from drop menus that will save you time from having to re-enter that information each time you post a new event. You can also add “secondary” organizations if the event is being co-presented with another group.

You will also be asked to provide the individual date and start time info for your event. This is a critical piece as this information is used both in our search function and our sharing of event listings with other community partners.

Once posted, you can log back in to edit your listings if you need to add/edit/delete any information from the listing, including adding additional images and video.

Please do not use ALL CAPS in your titles or listings – thank you! Also – a title is not the place for a description – keep your titles short and sweet! You can give more info in your description and add promo copy to the Summary field.
